

# Make a rat finger puppet!

- 
1. Cut out your shapes
  2. Turn your rat over and decorate - don't forget the whiskars!
  3. Turn your rat back to the original side
  4. Curve point A forwards to point B
  5. Curve point C to point D - you should end up with a cone
  6. Fold in the flap and tape to the inside
  7. Attach the whiskers to the underside of your rat's nose with tape
