RED RIDING HOOD

Tour Pack 2022

The Story

We all know the story of Little Red Riding Hood, but which story do we know?

Norwich Puppet Theatre's retelling of this classic folktale draws on the story's origins in the oral tradition, together with versions by Charles Perrault and the Brothers Grimm.

Following the path to her grandmother's house, through a forest filled with howling wolves, Red Riding Hood, a charcoal-burner's daughter, needs to use her wits in order to survive.

Follow our eponymous heroine into the woods where you can expect a rich mix of puppetry, music, song, inventive staging and witty dialogue.
